

# I in the ceiling

**UK** – CIE-Audio has introduced 'i-ceiling' from Armstrong. Billed as "a brand new concept in integrated acoustic ceiling systems", the i-ceiling utilises flat panel speaker technology to provide a

**CIE's new i-ceiling**

"unique loudspeaker system".

"The addition of the new Armstrong i-ceiling systems provides CIE-Audio customers with a unique range of installation opportunities. With over 80% of the world's acoustic ceilings being Armstrong branded, the i-ceiling provides a completely integrated solution both in new builds and retrofit installations." says Chris Edwards, CIE-Group marketing manager.
